# EXECUTIVE REPORTING

## FULL CONTROL OVER YOUR REPORTING

The **Executive Reporting** is an enhancement to OnSite Companion that allows you to have full control over your reporting. Almost anything that goes into a job, from **client or contact information**, **activity details** and **custom fields** can be filtered and reported on at the click of a button.

### Benefits to your Business include

- ✓ Accurate reporting
- ✓ Reduction of human error and management time
- ✓ Time savings in administration
- ✓ Quickly Identify resource requirements
- ✓ Understand problem prospects, jobs, trades and clients at a glance
- ✓ Tightening of your schedules, with clear information

### Dashboards and Auto Reporting

Create automatically generated reports and dashboards to show information at a glance.
